INDESIGN: DEFAULTS DESIGNED THIS

Tool to Misuse: InDesign (ONLY InDesign)

Create an A4 portrait poster with the headline: "DEFAULTS DESIGNED THIS"
Add any short supporting sentence such as:
- "A system shapes every choice."
- "You design less than you think."
- "Defaults = invisible decisions."
(Choose one or write your own.)

Format Constraints
- A4 (portrait)
- Color allowed
- Headline must be readable
- Export the final result as PDF

MISUSE RULE: You may change exactly ONE default setting in the entire docu-
ment.
You can choose one of the following defaults to change — and ONLY one:
Typeface OR Font size OR Color OR Leading OR Tracking OR Stroke weight OR
Alignment OR Paragraph spacing OR Hyphenation OR Baseline grid settings OR
Margins

But:
- If you change the color, everything else must remain 100% default (typefa-
  ce, size, leading, margins, etc.).
- If you change margins, all type stays default.
- If you change font, colors must remain default (Black, Paper, Registrati-
  on, etc.).
- You cannot import custom fonts or colors.

Everything except your one chosen change must stay as InDesign creates it.

ADDITIONAL CONSTRAINTS

You must include all of the following default-based elements:
1. At least one bulleted or numbered list u
2. At least one paragraph of "Fill with Placeholder Text."
3. At least one shape using default stroke + fill.
