```
KEYNOTE: SYSTEM = STORY
-----------------------------------------------------------------------

Tool to Misuse:        Keynote (ONLY Keynote).
                       You may not use any other software.

All visuals, shapes, typography, compositions, textures, and images must be
produced inside Keynote

-----------------------------------------------------------------------

Design an A4 poster with the headline: "SYSTEM = STORY"
The poster must prominently show the headline and include one short suppor-
ting sentence of your choice.

Example options (participants choose one or invent one):
- "Every tool tells you how to work."
- "Defaults are never neutral."
- "Your workflow is a story you didn't write."

-----------------------------------------------------------------------

Format Constraints
- A4 (portrait)
- Color allowed
- Headline must be visible and readable
- Export a single page as PDF or JPG
```
